- REST APIs / JSON

WORK EXPERIENCE

FRONTEND DEVELOPER

Concert.ua | Ukraine
July 2023 | August 2025

Responsibilities and results:
- UI/UX redesign based on Figma mockups, creation of new components, and documentation.
- Development of reusable Angular components (TypeScript, JavaScript, HTML, CSS/SASS, Bootstrap, Angular Material).
- 30% performance increase through optimized Angular implementations.
- 15% conversion rate increase through Google Analytics integration.
- GitLab: Branch management, merge requests, code reviews, and project management.

FRONTEND DEVELOPER

Hoobi | Ukraine
December 2022 | May 2023

Responsibilities and results:
- Scalable CSS architectures according to BEM, custom themes, UX +20%.
- Responsive UIs with HTML, CSS/SASS, Bootstrap, and Angular Material.
- Modular Angular components with TypeScript/JavaScript for reusable code.
- UI/UX designs from Figma: redesign, component export, interface logic, and documentation.
- Google Analytics to optimize conversion rates.
- Performance optimization, refactorings, bug fixes, and feature development.
- Agile collaboration with Git/GitLab: branch management, merge requests, code reviews, and repository management.

Frontend development & UI/UX

- Responsive Design
- Accessibility
- BEM Methodology
- Angular Components (modular, reusable)
- Themes & UI Extensions
- Figma (redesign, components, interface logic, documentation)
- Performance Optimization (lazy loading, code splitting)
- Google Analytics / Tracking Tools
- Cross-Browser Testing

Versioning & Collaboration

- Git / GitLab (branch management, merge requests, code reviews, repository management)
- Agile working methods (Scrum/Kanban)
- Collaboration in cross-functional teams

EDUCATION

09/2008 – 06/2009

Kharkiv National University of Internal Affairs, Ukraine
Master's:
Information Security

09/2004 – 06/2008

Kharkiv National University of Internal Affairs, Ukraine
Bachelor:
Information Security

COURSES & CERTIFICATES

JavaScript Intensive Course (DOM & Interfaces) (2023)

Advanced Angular Development (2022)

HTML & CSS (2021)
